NADINE ELZY TO BECOME EEO DIRECTOR FOR THE U.S. GOVERNMENT PRINTING OFFICE

Public Printer Michael F. DiMario has announced his intention to appoint Nadine L. Elzy as Director of the Office of Equal Employment Opportunity for the U.S. Government Printing Office (GPO). As such she will direct the activities of the Affirmative Programs and Counseling and Complaints Processing Divisions within the Office. Elzy comes to GPO from the Office of Thrift Supervision where she has served as Equal Employment Opportunity Director since February 1994.

In announcing the selection, DiMario said, "Ms. Elzy brings nearly 20 years of Federal experience to this position, most of it within the area of Equal Employment Opportunity. Her numerous honors and accomplishments while on the job convince me that she will play a major role in the continuing enhancement of the equal employment opportunity program within the Government Printing Office."

Between 1986 and 1994 Elzy served as Deputy EEO director and Acting Special Assistant for the U.S. Customs Services. She was Federal Women's Program Manager for the U.S. Equal Employment Opportunity Commission from 1985 to 1986. Elzy was with the Naval Medical Command between 1983 and 1985, serving as an Equal Employment Opportunity Officer at the Marine Corps Recruit Depot at Parris Island, SC.

Elzy holds a bachelor's degree from the University of West Florida. She has completed numerous courses in the areas of equal employment opportunity and Federal personnel management. Her honors and awards are extensive and include outstanding performance and special act awards throughout her career.
